Re: *Thankachan v. Peekskill Hous. Auth., et al.*;
07 cv 8332 (PED)

Dear Judge Davison:

We represent plaintiff in this case. With the consent of defendants' counsel, I write to respectfully request to have until January 9, 2012 (from January 3, 2012) to submit plaintiff's papers in opposition to defendants' motion for a bondless stay. As I have advised defendants' counsel, we agree not to seek to execute on the judgment until after defendants' motion has been decided.

Respectfully submitted,

Christopher D. Watkins
